

# Coinbird (HONK) Roadmap

---

## UPCOMING

Upcoming milestones are intentionally not made public. We are open to genuine remarks or suggestions - should you have any, feel free to contact the coinbird at [gustav@coinbird.io](mailto:gustav@coinbird.io)

---

## ONGOING - V04.07.2022

Our main focus is currently reserved for the following topics:

- improve the website's appearance
  - include an interactive Goose animation on the homepage
  - add a connect wallet function to the contact page and an anti bot mechanism
  - test the functionalities of the coded website on various devices
    - design a farming section for the website
    - undisclosed coding project, code: INITIAL-1
- 

## COMPLETED - V04.07.2022

Here is a list of all the milestones that have been reached or completed thus far:

- ✓ go live with the first draft of the website (04.07.2022)
  - ✓ publish the path of the goose (30.06.2022)
